Hacienda Pura Vista

The owner will offer self financing on Hacienda Pura Vista 8,600 sq. feet for generating significant rental income as a fantastic primary or secondary home or a combination of both! Located 200 feet directly above Playa Marsella on top of the hill between Playa Marsella and Playa Maderas, it is close enough to the ocean to hear the soothing sounds of the surf below, and at the same time high enough to offer views of not only the entire and beautiful Marsella valley and surrounding hillsides but also up to 40 miles at every compass heading. The views from this home are simply breathtaking and must be seen to be believed
