

Amazing ocean view property in Los Miradores

This great property located in Los Miradores Development consists of a 3,800 square meter lot and one completed studio apartment above a garage and laundry room. This lot is the best in the development and was originally the developer's lot! It offers fabulous views of 5 bays including back toward SJDS and all the way to Costa Rica. The property has been leveled and it is ready to build your dream house.

\$185,000.00
