

Hilltop Lot Near World Class Surf Break

\$29,000.00

This beautiful lot has a premier hilltop location. This commanding position is one of the highest in the entire development and provides a unique "double view" with unobstructed views of Playa Yankee and miles of Pacific coastline on the front side of the lot and views of Concepción Volcano rising out of Lake Nicaragua on Ometepe Island at the back of the lot. This elevated position at the top of the hill catches great breezes year round. It's the perfect place to enjoy the famous sunsets of the San Juan del Sur region. Located within Playa Yankee development you can enjoy all the benefits of being within a planned
