

Beach House South of Ostional with Views of Costa Rica

This property can only be purchased by a Nicaraguan as it is less than 5 kilometers from the Costa Rican border. This beach house is a buyers dream. The main construction is complete, so now you can make the house your home with your own details and finishing touches. Two closed off bedrooms are surrounded by a covered outdoor living area and kitchen, right on the Pacific Ocean. The view includes the most beautiful bay of Nicaragua "Bahia Las Salinas" and the white sandy beaches of "Playa Manzanillo". Enjoy the views of the ocean and the mountains of Costa Rica across the bay to the south. This is the best and safest
