

Two acres with views to Playa Marsella – only 10 minutes from town

This large parcel (7800m2, almost 2 acres, or 1.1 manzanas) is located only 12 minutes north of town with view to Playa Marsella, just off the Chocolata via a wide entrance road. Lot is almost entirely level (or with gentle slope) so building or subdividing would be easy. Plenty of green hillside views, and some ocean view as well. Water and electricity very close. Owner say "Bring all offers"!
